Taking into account the growing popularity of the Yatra amongst Hindu pilgrims, the constraints along the existing route, and requests from residents in the border areas, the Government have taken up, since 1993, proposals for an alternate/additional route for the Kailash Mansarovar-Yatra with the Chinese side. We have proposed the Shipki La (Himachal Pradesh), and Demchok (Ladakh, Jammu & Kashmir) routes. We have proposed these routes taking into account the existing logistical facilities which extend almost upto the border.
